VICTORIA IVORY PEARL VS HONESTY

Bear Spots Publications, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Victoria Ivory Pearl books are a series of educational picture books for preschoolers, teaching skills such as sharing, turn taking, respecting others, listening, caring, manners, saying sorry etc. Each aspect of the books, from the text to the illustrations, has been specifically and carefully chosen, based on the author s experience as a preschool teacher. What is unique about this particular series of books is that they are written with older children. The aim of these books is not only to help preschoolers learn valuable social and emotional life skills, but also to inspire older kids to show that they care by sharing their knowledge and understanding with those younger than themselves. Hopefully instilling in both groups a life long love of helping others. In this book Victoria Ivory Pearl learns . . . not to lie.
