By Alisha Costanzo

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 242 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. Before she ran into a compelling stranger on the busy streets of NYC, before she knew the truth about her father, before she died, Ria was just a normal girl, trying to make ends meet. Now with an unhelpful six-thousand-year-old mentor, she wished someone had written a handbook on how to be undead. But small details, like how to drink blood without killing, why she wakes up in the middle of the day, and how to juggle two paranormal men, are near pointless when the scary Wicked Witch of Watertown has given her a week to report to the training facility. Better yet, she's popped up on the collection list for the Assetato and the king of the were-lions. Can Ria survive long enough to come head-to-head with a ten-thousand-year-old vampire? This item ships from La Vergne, TN. Paperback.

Reviews

Definitely one of the better books we have possibly read. We have read through and I am also certain that I am going to go back and study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
