Worthy texts and worthy tasks help students see the connection between their hard work as readers and writers and their capacity to contribute to stronger communities and a better world. The stories, examples, and resources that permeate Transformational Literacy come primarily from the more than 150 Expeditionary Learning schools around the country that support teachers to select, supplement, customize, and create curriculum, and improve instruction. The book also draws on Expeditionary Learning's open source Common Core English Language Arts curriculum--often cited as one of the finest in the country--and professional development offered to thousands of teachers to implement that curriculum effectively. Transformational Literacy combines the best of what Expeditionary Learning knows works for kids--purposeful, inquiry-based learning--and the new imperative of the Common Core--higher and deeper expectations for all students.
