

Office of Personnel Management: Status of Achieving Key Outcomes and Addressing Major Management Challenges: Gao-01-884

Filesize: 8.49 MB

Reviews

The very best book i at any time read. It generally does not price an excessive amount of. I discovered this publication from my dad and i recommended this book to understand.

(Joesph Hettinger)

OFFICE OF PERSONNEL MANAGEMENT: STATUS OF ACHIEVING KEY OUTCOMES AND ADDRESSING MAJOR MANAGEMENT CHALLENGES: GAO-01-884

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. This report reviews the Office of Personnel Management's (OPM) fiscal year 2000 performance report and fiscal year 2002 performance plan. OPM's mission, in part, is to provide strategic human capital management leadership and services to federal agencies. OPM's fiscal year 2000 performance report and fiscal year 2002 performance plan contain many goals that measure the extent of their activities, but there are few goals and measures that assess the actual state of strategic human capital management in the federal government or the specific contributions that OPM's programs and initiatives make. Although OPM does not directly control these outcomes in federal agencies, it needs to measure the results to assess how well its leadership services are working. OPM recognizes this weakness and is working with human resource directors at federal agencies to develop a series of human capital measures. In its report and plan, OPM also needs to strengthen goals and measures to improve their reliability, link its internal human capital goals to OPM programs, and establish a program management performance goal to assess fraud and error in the Federal Employees Health Benefits Program. This item ships from La Vergne, TN. Paperback.
