

Rebalancing the World Why Women Belong and Men Compete and How to Restore the Ancient Equibr (Paperback)

Filesize: 1.8 MB

Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

HarperCollins Publishers Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. For all of our progress, the world stubbornly retains a male-dominated, competitive streak. Certainly the emphasis our culture places on enterprise has given us much, but what have we sacrificed along the way? Carol Lee Flinders argues that the more ancient values of Belonging (mutuality, cooperation, and generosity), traditionally associated with women, have been subsumed by those of Enterprise (individualism, competitiveness, and materialism), associated with men. In the lives of visionaries, artists, and mystics such as the Buddha, BaalShem Tov, Teresa of Avila, Elizabeth Cady Stanton, John Muir, and Martin Luther King Jr., Flinders offers models for a new kind of balance. Rebalancing the World urges us to incorporate the values we are missing in our lives for the sense of wholeness we all seek.
