A New Paradigm of Parking Management
Tackling Cruising with On-Street Reservations

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Tackling Cruising with On-Street Reservations | Cruising for parking represents a loss of efficiency to the private car. It generates a waste of time and fuel, worsens congestion and increases pollutant emissions. In this book, we propose a system of in-advance paid online curb parking space reservations to reduce cruising. The main objective is to improve urban mobility within the new paradigm of parking planning and management. This system was designed with..
