BRAYNARD S STORY: TITANIC POSTCARDS

Dover Publications Inc., United States, 2003. Miscellaneous print. Book Condition: New. 300 x 222 mm. Language: English . Brand New Book. She was unsinkable --a splendid monument to modern engineering and nautical desing. But on her maiden voyage, during the night of April 14-15, 1912, the White House superliner Titanic struck an iceberg and became a legend--not for its highly publicized industructibility, but because of the castrophe that took the lives of over 1,500 passengers.In this remarkable collection, twenty-four reproductions of historic photographs and paintings recaputre the character, magnitude, spirit and tragedy of the great ship--at the time, the largest and most luxurious vessel afloat. Included are photos of the Titanic in dry dock and on trial runs, its captain, the ship s gigantic engine and rudder, a charmingly outfitted sun-room and a magnificent stateroom, as well as authentic photographs of grim-faced survivors aboard the rescue ship Carpathia and the ship s remains on the ocean floor.Available in one convenient and easily affordable volume, all cards--identified brief, descriptive notes--are perforated and easily detachable for sending or saving. Here is a vivid, pictorial record that will fascinate collectors, maritime historians and anyone awed by the magnificent ocean liners of the past.
