Createspace Independent Publishing Platform, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This sketchbook includes 50 scorecards with room to record a visual memento of your rounds of golf. Each hole has designated space in which to draw the hole and key features, including room to draw a close-up of the greenside region. Use arrows to draw each stroke, noting any penalties with words. Write the club next to each stroke, too. This serves as an informative way to save record scores, make detailed notes for compiling stats, seeing whether you miss more greens to the left or right, recalling what club you used to make a hole-in-one, or making a yardage guide book with prior club selection and the breaks of previous putts. It is also a good companion to The Golf Stats Log Book and The End-of-Round Golf Diary. The cover is cool, too.
