DEFRAGMENTING THE SOUL (PAPERBACK)

Chipmunkpublishing, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Though the main character, Matthew, inevitably has many character traits in common with the author, he is really more of a composite mixture of a whole plethora of personalities, borderliners and eccentrics, and acts as a mouthpiece for their shared plight, advocating on their behalf, too, at times. Since Matthew was never content to be just one individual, he became what might consequently be referred to as a dividual. We follow his various reincarnations, as he flits, like a butterfly, between professions, roles and identities. Though his character is by no means unsullied, (he's more of an anti-hero) he eventually finds redemption, after he agrees to dump his charade of an identity and become, instead, what he might have been. The reader will be faced by a number of challenges from the very start, for which a paradigm shift in his or her Weltanschauung may be required. Characters interact and join discussions across past, present and future time zones, both face-to-face and through the use of virtual reality devices. The dead communicate with the living and vice versa. They do this by meeting up inside Matthew's head. Unless the reader has experienced a world where he or she can no longer differentiate between reality and fantasy, the blurring of the distinction between the two will be hard to imagine. Suffice it to say, that for some of us, our fantasy world is altogether more vivid, exciting and real than our shared reality with you normal people! Language plays a key role in Matthew's existence. He is constantly on the look-out for meaning. This perhaps justifies the inclusion of some rather esoteric material that flits from etymology to plays-on-words, occasionally across...
