Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The 13th volume in our Mythic Monsters series, Mythic Monsters: Dragons brings you a dozen and one devastatingly deadly drakes, dragons, and dragonkin. From miserly hoard-keepers to titanic warlords and engines of destruction, dragons epitomize all that a mythic monster would ever want to be. Here you will find chromatic dragons of terrifying size and surpassing lethality, from the juvenile blue and adult green to the ancient black, great wyrm white, and great wyrm red! The dragons lesser kin, the drakes, are also featured, including the flame drake, forest drake, frost drake, and sea drake! Being just a little less deadly than a true dragon is hardly an indictment on their fearsome ferocity, of course, and each brings a set of unique and special talents to the battlefield, including the brand-new mythic monster, the carrion-craving fell drake, ally and steed to undead warlords that rule benighted badlands and ruined kingdoms of death. The product is rounded out by some special members of the extended dragon family, including ranging from the colossal pyroclastic terror that is the tor linnorm to the tiny but studious pseudodragon, friend to mages and loremasters everywhere, and the half-breed dracolisk, spawned from the unholy union of a depraved dragon and a bestial basilisk. As if these mythic dragons were not enough, Mythic Monsters: Dragons also equips your mythic dragons with an array of mythic feats with which to supercharge their already formidable abilities to bite, breathe, crush, and devour all who dare to stand against them. The 13 dragons contained herein, ranging in CR from 2 to 27, are updated for the mythic rules, and when we say updated we mean complete stat blocks,...
