Down Out Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Because Lydia didn't have arms or legs, she shelled out three thousand bucks to a washed up middleweight named Cap to give her ex-husband the beating of his life. But the beating turns to murder, and the murder into lust and desperation between Lydia and an underworld clean-up man. Meanwhile, overgrown frat boy car thieves take up cop killing as a side hobby. When these paths cross, a horror show of violence unfolds as they all slide into a hell of their own design, surrounded by the neon and noise of the casino strip on the Mississippi Gulf Coast. Violent, vivid, life at hyper-speed. Psychosomatic is the debut novel from Anthony Neil Smith and it is a noir nightmare that asks how much is too much in a relationship, and what is the cost of leaving? Praise for PSYCHOSOMATIC: The darkest song I've ever read -Ken Bruen, bestselling author of the Jack Taylor series Anthony Neil Smith takes hardboiled, crunches it, peels back the shell, and finishes it off with a flamethrower. You were warned. -Sean Doolittle, author of Safer and The Cleanup.
