GATEWAY TO PYTHON PROGRAMMING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. In student community, it is still a common practice to start learning programming languages with relatively harder options, such as C, C++, or Java. These languages present additional complexity that the student needs to master, which in turn slows the pace of the course. Students may be better served by learning Python as their first programming language because it..
