YOU HAVE BEEN DISCONNECTED (PAPERBACK)

Draumr Publishing, LLC, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After five years, you would think you know a person. Matt Collins has worked with uber-programmer Phil Fink for the past five years and although they've never met in person, he's sure he has the guy pegged. Fink is an anti-social workaholic and a class-A nerd who avoids personal interaction like the plague. Matt and his colleagues love to make jokes about Fink both because of his name and the life they assume he leads. But in business, there's no other programmer that Matt would rather work with. In fact, Matt's sure his next idea is bound to be the big one and Fink is definitely the man to do the job. And of course it's just a bonus if Matt comes back the office hero with intimate knowledge of the infamous Phil Fink. Calling Phil Fink a programming guru is probably an understatement; calling Phil Fink a man is just downright wrong. Five years of being known as nerdy old Phil Fink hasn't bothered her one bit because business is business and who cares what her gender is. But when Phyllis Fink's biggest client requires her to work face-to-face with one of their internal programmers, she freaks out and threatens to leave the country. Communicating via emails and instant messages has always worked in the past, why change what's not broken? Will Matt's intrusion into her ultra-secured home office shake up her personal life as well as her business reputation? And will Matt keep her secret or return to the office with the scoop of the century and intimate knowledge of the infamous Phil Fink?.
