Brand New Book ***** Print on Demand *****.Excerpt from Hodgson's Estimator and Contractor's Guide for Pricing Builder's Work: Describing Reliable Methods of Pricing Builder's Quantities for Competitive Work, Showing in Brief and Concise Form the Methods Generally Employed by the Most Successful Contractors; Giving Full Details for Estimating Cost, by Cost Per Cubic Foot of Simil It is the fate of books on estimating for builders that they soon become somewhat unreliable, no matter how exact they may have been when first published. This is due to various reasons, - the continual fluctuations in the prices of labor, changes and introduction of new materials, new methods of construction and style of building. Since this book was first published, the changes made in the cost of labor and in the selling price of material have been wonderful, and it may be said that buildings today are fully twenty-eight per cent more costly than they were when this book was first published. Recently prices have risen so high and at such a rate, that it has been found difficult to keep in touch with them. For three or...
