SEXUAL DIFFERENCE: MASCULINITY AND PSYCHOANALYSIS (PAPERBACK)

Taylor Francis Ltd, United Kingdom, 1994. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sexual Difference is a critical exploration of psychoanalytic theories of sexual difference. In particular it explores the way in which masculinity is expressed in theory and practice. Developing from the unsettling impact of these issues on the author's own professional practice, Stephen Frosh examines how the very language and structure of psychoanalysis are loaded with assumptions about gender. Employing both Kleinian and Lacanian theoretical perspectives this book critically examines these approaches to sexual difference. In addition, it discusses the application of these issues in the practice of treating sexual violence and in cases of child sexual abuse. Sexual Difference will be of value to all trainees and professionals in psychotherapy, psychoanalysis, psychology and social work, as well as all those with an interest in masculinity, femininity and their effects.
