### **Reviews**

*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

KNOW: A SPIRITUAL WAKE-UP CALL

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 316 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Many are hungry for inner spiritual exploration, but have become frustrated with books and programs offering clichéd concepts and superficial answers. Where recent books like *The Secret* opened the door, *Know: A spiritual wake-up call*, catapults it wide. New Age philosophies and self-help books make sense and feel good. However, once back in the real world the concepts are difficult, if not impossible to apply, maintain or live by. Sadly, they offer little to create lasting change or alter life's conditions, and may leave readers feeling even more discouraged. *Know* doesn't offer ways to act as if or techniques to fake it better through life. The information escorts the reader through an epic inner adventure that can shift consciousness dramatically. Laced with true personal accounts, along with experiential inner exercises, *Know* can help people break free of old patterns. This book provides hope that any stuck area of life can transform, not by chanting affirmations or applying the power of intention, but by finding and resolving sources of unconscious barriers. *Know* explains the impact of certain fear-based events that dramatically alter your experience of yourself, others and life. Learn ways to release these false perceptions, breaking the cycle of self-sabotage. This infrastructural transformation gives birth to higher consciousness, self acceptance and intuitive, purposeful choices. Whether starting out or already on a spiritual journey, *Know* is an empowering path of awakening you to you, profoundly and permanently. This item ships from La Vergne, TN. Paperback.
