

Handbook of Biblical Social Values (Paperback)

By -

CASCADE BOOKS, 2016. Paperback. Condition: New. 3rd ed.. Language: English . Brand New Book ***** Print on Demand *****.Values are culturally specific. This handbook explains select biblical social values in their Mediterranean cultural contexts. Some examples of values are altruism, freedom, family-centeredness, obedience, parenting, and power. Though the English words for the values described here would be familiar to readers (e.g., altruism) the meanings of such words differ between cultures. In the Mediterranean world, for instance, altruism is a duty incumbent upon anyone who has surplus. It is interpersonal and group specific. In the West, especially in the United States, altruism is impersonal and universally oriented generosity that operates in a highly organized context. This handbook not only presents the Mediterranean meanings of these value words but also contrasts those meanings with Western ones. An already useful resource is strengthened in this third edition. New entries (e.g., Collectivism ; Mouth-Ears) and an updated bibliography for many of the entries make the Handbook an up-to-date reference work. This book will be valuable for undergraduates, for seminarians and pastors, and for laypeople who seek to better understand the values of the ancient Mediterranean world embedded in the pages of the Bible,...
