What is love? This is a question many us ask ourselves as we traverse through the rigorous ups and downs of life. We experience heartbreak, and the overwhelming feeling that the universe is against us, as we try to decipher the meaning hidden in every lesson we encounter. Love is one the greatest feelings in the world, but is also one of the most tragic weapons known to man. We allow others to enter the most heavily guarded pieces of us, knowing that at any time one could ruin the very foundation of who we are. Love is by far one of the most perplexing mysterious the universe has to offer, but yet the key to truly unlocking it is still readily unknown.
