## CAIRO S STREET STORIES: EXPLORING THE CITY S STATUES, SQUARES, BRIDGES, GARDENS, AND SIDEWALK CAFES (PAPERBACK)

The American University in Cairo Press, Egypt, 2008. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This is a unique perspective on the history of Cairo and the use of the city s space from the author of Cairo: The Family Guide .In 1872, Ismail Pasha, the khedive of Egypt, was the first to adopt the European custom of positioning heroic statues on public display as a symbolic message of the continuing authority of the ruling Muhammad Ali dynasty to which he belonged, but it was not until the early twentieth century and the determination of sculptor Mahmoud Mukhtar that such public art gained general acceptance, and today statues stand, ride, or sit in the streets, squares, and gardens of Cairo. Each sculpture adds a piece to the jigsaw of history spanning personalities and events that shaped the city and wider Egypt from 1805 to 1970, and here Cairo-based author Lesley Lababidi provides a unique perspective on Egyptian history through looking at more than fifty statues and monumental sculptures and the stories behind them. Between statues, she explores Cairo s growth and its multidimensional identity, as manifested in the development and changing use of city space over the centuries, and examines the relationship of Cairo s modern denizens with the landscapes, districts, palaces, archaeological sites, cafes, bridges, and gardens of their great and maddening city, the Mother of the World. Illustrated throughout with color and black-and-white photographs by the author, Cairo s Street Stories presents a unique and lively view of the history that fashioned the city s streets and open spaces, and of the many and often unexpected uses to which its inventive inhabitants put them.
