But when he receives a postcard from his operational contact Ganymede, everything around him begins to change. As the militia launches a series of attacks against United States interests that reach far beyond the mayhem of war-torn Lebanon, Gordon's dangerous journey to the truth leads him through the streets of Beirut and Athens, to a terrorist training camp in North Africa, and finally to New York and Washington, where the Secretary of State faces a perilous fight for his life. In this fast-paced tale of international intrigue, tensions between truth and spin rise as a spy with unmatched instincts is immersed in a dangerous and bold strategy to lure the United States into a conflict like no other.
