

Position Relation

By India Radfar

Barrytown Limited, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. This lovely book of poems, written in Woodstock, NY, carries inspiration from various places. Prefaced by 12 Poems That Were Never Written, the book is divided into three sections, Natural Megaron, Preposition Poems and Lung Poems, corresponding to three distinctive methods Radfar used to write her way into time and space: settling down with her journal on a hilly overlook after a 30 minute walk; removing prepositions while still managing to talk about her relation to space; writing at a fixed time in the middle of the night. In going as far as she can in each of these disparate directions, she summons, with a surprising degree of certitude, a sense of how this specific place once affected her writing and her life. One of the poems included is:
[i]Position, I have sought your proper place have landed snake-like your tumescent rock
pilegrassy wild oracular Position, I can't speak all the places you are my tendency my perpetual
circumstance I will come, give me entrance[/i].
