

Orson Welles: v. 3: One-Man Band

Filesize: 6.26 MB

Reviews

Most of these ebook is the ideal publication available. It really is rally fascinating throgh looking at period. I am just easily could possibly get a enjoyment of reading through a created pdf.
(Dr. Lilly Nolan)

ORSON WELLES: V. 3: ONE-MAN BAND

Vintage Publishing. Hardback. Book Condition: new. BRAND NEW, Orson Welles: v. 3: One-Man Band, Simon Callow, In One-Man Band, the third volume in his epic survey of Orson Welles' life and work, Simon Callow again probes in comprehensive and penetrating detail into one of the most complex artists of the twentieth century, looking closely at the triumphs and failures of an ambitious one-man assault on one medium after another - theatre, radio, film, television, even, at one point, ballet - in each of which his radical and original approach opened up new directions and hitherto unglimped possibilities. The book begins with Welles' self-exile from America, and his realisation that he could only function happily as an independent film-maker, a one-man band; by 1964, he had filmed Othello, which took three years to complete, Mr Arkadin, the biggest conundrum in his output, and his masterpiece Chimes at Midnight, as well as Touch of Evil, his sole return to Hollywood and, like all too many of his films, wrested from his grasp and re-edited. Along the way he made inroads into the fledgling medium of television and a number of stage plays, including Moby-Dick, considered by theatre historians to be one of the seminal productions of the century. Meanwhile, his private life was as dramatic as his professional life. The book shows what it was like to be around Welles, and, with a precision rarely attempted before, what it was like to be him, in which lies the answer to the old riddle: whatever happened to Orson Welles?.
