Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

NOVELLA LENGTH (37,000 words) Zoey Meager stares into an inferno as she struggles against two firefighters while an abandoned warehouse is gutted by a raging fire. She is desperately afraid her best friend Kaity is trapped inside, held hostage by a merciless gang of human traffickers. Denver SWAT has blocked anyone from getting near the blaze-but the police don t know Zoey. She ignores the danger and races inside a firestorm, but she s not alone. A mysterious man dressed in black is wounded. When he tries to escape her and the police, Zoey grapples him to the ground, convinced he knows where Kaity is. In Zoey s oxygen deprived brain, she s sure he ll kill her, but she won t give up. The man is her only connection to a friend closer than a sister. After the fire, Detective Estefan Cruz finds the bodies of three young women, bound and gagged in a locked storeroom. The blaze had been deliberately set to kill the witnesses. An unconscious Zoey Meager is found outside the charred building-a woman with more secrets and courage than sense-but the detective is suspicious. Is Zoey the only witness or did she have something to do with the horrific deaths? After she disappears, Detective Cruz is sure she s hiding something. Distrusted by the police and tailed by a sinister white van, Zoey is forced to hunt her mystery man alone-a dangerous stranger with a large black dog, completely devoted to its shadowy master.
