It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

South Shore Publications, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A summer at one of the poshest riding camps in the province. A hundred horses. Rolling hills ribboned with hacking trails and cross-country jumps. It could be perfect. Unless you're Lacey Strickland, and you're leaving Salem, Meg, and Jared behind on the island. The only thing that isn't hard to leave is Lacey's memory of her first kiss, delivered in a spring-scented hayfield, which sizzled, then fizzled into nothing at all. The other thing making camp less-than-perfect for Lacey? She's not a cosseted camper, but a staff member - teaching riding lessons from sun-up to sun-down. In Meg's first letter to Lacey, she writes: I bet anything there's at least one amazing horse waiting for you there. And maybe a new great - if not best - friend. Is Meg right? Could Lacey meet a horse she'll love just as much as Salem? And are there new friends in her future? Maybe even somebody who could give her more than just one kiss in a hayfield?.
