Brand New Book ***** Print on Demand *****.Excerpt from Artistic Japan, Vol. 4: Illustrations and Essays We have already said in these pages that, in order to understand the art of a foreign country, we must familiarise ourselves with the land, its flora, its fauna, its manners, customs, and its history. In a word, we must penetrate the spirit of a people, almost trace the beatings of its heart. With the Japanese, their poetry, the old poems above all, clearly show this side of the national mind. These poems alone suffice to show us the profoundness of the popular sentiment, its need of the ideal, its joy in vibrating to every contact with the beautiful.
