Reviews

The book is great and fantastic. Better than ever, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this ebook to find out.

(Dr. Blair Mann)

The Armchair Traveller at the Bookhaus, United Kingdom, 2007. Hardback. Condition: New. Language: English . Brand New Book. Leon Sciaky whose family were prosperous Jewish grain merchants, descendents of the Sephardic Jewish exodus from Spain in 1492, grew up in the vibrant city of Salonica (now Thessaloniki) in Macedonia in a remarkably polyglot world where Turkish, Arabic, Greek, Bulgarian, French, Spanish and Hebrew were all spoken regularly in the city's busy streets and quays. In the early part of the book, Sciaky's recollections are achingly nostalgic and lyrical and describe an intimate and affectionate family existence where every day the young Sciaky would eat with his parents and his adored grandfather Nono on the oriental divan, exchanging stories and jokes. But in retrospect, the city was doomed to destruction and as early as 1902 when Leon Sciaky experienced an earthquake, he remarked: one's very conception of solidity, and one's feeling of security was suddenly destroyed . Soon after, the young Sciaky witnessed the earliest examples of modern terrorism and a downward spiral of violent attacks. His account of the end of a world is powerful and intense; when, as a young boy, he saw the look of terror in the face of a refugee peasant, he likened it to the animal dread of cattle in the slaughterhouse . Farewell to Salonica was first published in America in 1946. It is a beautiful and touching memoir, which also offers a unique political and historical insight into the complex history of the breakdown of the Turkish Empire. The Sciakys left for America in 1915 and like them many non-Greeks left Salonica following the Balkan Wars and World War I. All but 1,600 of the city's 50,000 Jewish inhabitants perished in Nazi concentration camps during World War II.
