The Image Thinker Alphabet Book (Paperback)

By Vicky Katrin

Storybook Genius, LLC, 2017. Paperback. Condition: New. Vicky Katrin (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Imagine a space in your mind where objects and characters appear and move around, where words and letters become three dimensional and rotate in your mind. This type of Image Thinking is why dyslexics are predisposed to out of the box thinking. Creativity is their strongest weapon! And the world needs these brilliant thinkers, especially in a world where technology and information processing is changing rapidly. The Image Thinker Alphabet Book helps children make strong links between alphabet letters and objects that are similar in shape. This is an innovative method for children to learn their alphabet. Created by artist, researcher, and dyslexic, Vicky Katrin, for children with brilliant Image Thinker (dyslexic) minds. It is our goal to help change the perception of dyslexia from that of a learning disability to an asset . Share in this mission with us! The bridge between written language as we know it today and the new digital image world lies in the innovative neurology of dyslexia. This is an alphabet book for Image Thinkers.
