Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Greece Away down in a Southern sunny corner on the other side of Europe there rises from the blue waters of the Mediterranean the land which we call Greece. You already know this country as a wonderland that used to be the home of a noble race of heroes. The Heroic Age lasted for about two hundred years, and this is the once-upon-a-time epoch to which you owe some of your favourite stories. Then it was that Perseus slew the gorgon, Hercules performed his twelve famous labours, Theseus killed the Minotaur, Jason led the Argonauts in the Golden Fleece adventure, and Ulysses took Troy by the wooden horse stratagem. The Trojan War marks the end of the Heroic Age. And now we come to a time, about three thousand years ago, when men began to rule over Greece. Four great tribes - Achaeans, Dorians, Ionians, and AEolians - entered into a struggle for supremacy, and so rampant was the spirit of rivalry for possession of the land that the principal competitors not only fought against each other, but were divided against themselves. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
