

Grounded Theory: The Philosophy, Method, and Work of Barney Glaser (Paperback)

By -

Brown Walker Press (FL), United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This anthology provides a unique collection of articles on classic grounded theory, as developed by sociologist Dr. Barney G. Glaser. Organized in four sections, teaching grounded theory, techniques, history and philosophy, and advanced approaches, the 19 chapters fill gaps and correct misunderstandings about the method. Chapters on the merits of classic grounded theory over other versions, the historical and philosophical influences on the method, and advice for Ph.D. students doing classic grounded theory dissertations will be useful to novice and experienced researchers. How-to chapters on the use of focus groups, online interviews, and video for data collection expand data possibilities, while articles on formal theory, software, and testing concepts with structural equation modeling will challenge the more experienced. Essays on Glaser as a teacher, as well as a biographical interview in which he discusses his life philosophy and, for the first time, the influence of psychoanalysis on grounded theory, round out the picture of Glaser as mentor and man. The book s contributors, from nine countries and as many disciplines, all studied grounded theory with Glaser.

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Modesto Mante**

This ebook will be worth buying. It usually fails to charge too much. You will not sense monotony at at any time of your time (that's what catalogs are for regarding when you check with me).
