It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Jesus (AKA Yahshua) for Positively Pagan Dummies is a book for people who would like to understand the person of Jesus Christ without all the trappings of the institutional Church. The author takes the reader back in time to an ancient culture to meet the man called the Son of God who upset the religious elite of his day, ran around with the wrong crowd, and earned the respect and adoration of the common people including the poor and social outcasts. The reader will be surprised and warmed by his band of disciples who are surprisingly human. They are a bunch of fisherman, a terrorist, and a tax collector, and they are anything but religious, sophisticated or sanctimonious.
