We all definitely know that feeling. The gut-wrenching sense of guilt and frustration, the lack of drive and resolve; you know, the I've failed yet again feeling. And this happens every single time we slip up on creating a new habit. For some reason, even with best intentions, sheer willpower just doesn't cut it. Habit creation almost always seems daunting and doomed to fail. Why does it have to be this way? Does it have to be this way at all? Dan Stevens in *The Art of Habit Building* proves otherwise. Equipped with a simple method based in Behaviour Chaining Psychology, Stevens guides you through the habit formation process and fully outlines a step-by-step process that guarantees your success with any habit; minimal willpower required. With *The Art of Habit Building* you will easily be able to Make literally any habit achievable, no matter how big Break down habits into simple, easy-to-achieve, steps that build up over time Harness the power of the subconscious mind to propel you toward your goals. Make the habit-building process automatic (so willpower isn't even necessary!) Leverage your current routines to form new routines And, most importantly, perfect any habit over time with ease Never struggle again with making great new habits stick! Master *The Art of Habit Building* like never before!.
