

Redefining Literacy 2.0

By David F Warlick

Linworth Publishing, United States, 2008. Paperback. Book Condition: New. 2nd. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This seminal work on what literacy truly means in the 21st century is filled with big, meaningful ideas. The purpose of this book is not to replace the three Rs, but to expand them to a model for literacy that applies to classrooms which are shape-shifting under the pressures of converging conditions. This is a must-read for all educators! Exposes meaning from global interactive, multimedia, and electronic cybraries Employs information for solving challenges and constructing information Express ideas compellingly and fluently through technology to a diverse audience This resource features an associated Wiki web page where readers can access presentation slides, links to blog entries about redefining literacy from the edu-blogsphere, online handouts for conference presentations and workshops, various files associated with this book, and regularly updated web links that have started with Redefining Literacy for the 21st Century.

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
