AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The way of thing is a compilation of philosophy, poetry and short essays arranged for reading pleasure and introspective thought. The words don t give you insight to yourself, they just act as the catalyst. To the largest extent the book s design is to get you thinking, but not about the everyday rather the one day. The hundred or so pages you see in front of you are from a pile of 500 pages, these not necessarily being the best, but rather the right ones.
