Reviews

Here is the very best book i have study until now. It is rally fascinating throgh looking at period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dr. Blaze Runolfsson IV)

LOOK AROUND, BABY!

GROUNDWOOD BOOKS, Canada, 2010. Board book. Condition: New. Language: English . Brand New Book. This beautifully photographed series of board books shows us the major stages in a baby s first year -- the first day, sitting, crawling, and walking. Mother, father, and big brother also appear. In Look Around, Baby!, photos show the young baby just beginning to sit up -- now he sees the world from a whole new perspective. He holds his rattle, plays peek-a-boo, and even begins to interact with his big brother. He loves to laugh but has frequent crying bouts since his teeth are bothering him. Maybe that s why he loves to chew on his toes!.
