After making a wager of marriage to settle her father's gambling debts, Ella Bowen-Thorn Renwick escaped the husband she foolishly began to fall for and disappeared into the Scottish countryside carrying a secret. Four years later, and the owner of her own bakery, she is still not free of the demands of men when a violent and anonymous blackmailer threatens her, her livelihood. . . and her daughter. And then, there is him. . . Viscount Renwick still mourns the wife he began to love before her untimely death--that is until he discovers her alive and well living in Scotland. Now, Ella faces face to face with the wife he thought he buried and the daughter he never knew existed. He'd like nothing more than to welcome Ella back into his arms, but mysterious and troubling incidents and a history with an unloving father have Ella trusting no one. But, if Renwick convinces his wife the husband she always dreamed of and the father their daughter deserves, will the scandalous secret the blackmailer is holding threaten their future together once more?
