HARRY S ABORTION

DOWNLOAD

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This little monograph was excerpted from a much longer book, Grand Larceny: An Unexpurgated History of the Supreme Court. Harry s Abortion is focused on the most scandalous fraud perpetrated by America s judicial branch of government during the 20th century, its rulings on abortion. The first chapter summarizes Roe v. Wade (1973) and the historical facts that prove it s as bogus as a three dollar bill. Roe was followed a few years later by Planned Parenthood v. Casey (1992) and Stenberg v. Carhart (2000). Chapter 2 describes these two rulings and the historical facts that prove they re also fraudulent. Chapters 3 and 4 describe the birth and development of the substantive due process doctrine, the lawyers con job the Court used to justify these three bogus rulings. You will not be surprised to learn that America s political, journalistic, and academic elites do not want the public to learn that the U. S. Supreme Court is a criminal enterprise. And various political factions do not want you to learn that Roe and the other abortion rulings are fraudulent. So professors, journalists, and politicians have busied themselves, over the years, making up cover stories to convince you that our judiciary is on the up and up. Chapters 5 and 6 discuss and dissect those cover stories. The abortion rulings cannot be understood apart from the fact that the Court has long been running a pagan anti-Christian religion in violation of the First Amendment. Chapter 7 exposes and explores that dirty little secret.
