

Orange Groves

By MR Paul Phillip Peters

Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.We all have secrets, every one of us. Some secrets are so precious we dare not lay them aside even for a moment, holding onto them tightly wherever we go, like the sound of trailing footsteps, as close as your own shadow. Then there are those secrets that forever haunt a place, intertwined with the soil, water, and buildings, and sometimes, even a few wild orange groves. Fleeing from such places is pointless; there is no escape-not really. Traditions are a sacred, sometimes too sacred, way of life in the South, invoked to purify or shroud all manner of sin. The murky waters of history surge with deep-rooted families and prominent citizens as if a part a great river, with currents, eddies, and backwashes. The sleepy town of Bedlam, located in rural Harrison County, Florida, is a place of such secrets. On the outskirts of town towers a high school. For three quarters of a century, it stood as a threshold of the wild orange groves beyond; but its days were numbered. After a politician s death...

Reviews

A must buy book if you need to adding benefit. It is actually writter in basic phrases and never difficult to understand. I found out this book from my dad and i advised this publication to find out.

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
