Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

(Prof. Buddy Leuschke)

THE BEGINNER'S BOOK OF DREAMS

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. This celebrated coming-of-age novel moves from Manhattan during the early days of Mad Men to the swinging, chaotic 1970s: A sensitive girl burdened with her mother's drinking and long string of husbands becomes a special young woman when her best friend's family opens her eyes to art. Esme Singer is a resilient girl from Los Angeles, new to Manhattan, who takes better care of her beautiful, alcoholic mother than her mother does of her. A former fashion model and extra in the movies, her mother attracts a series of husbands and boyfriends as Esme watches in fascination and sometimes horror. Esme's father comes and goes, forever riding the wave of the latest get-rich-quick scheme. As Esme becomes a teenager, she turns to her friend Leah's cultured, exotic family for inspiration and solace - especially Leah's father, a well-known photographer who encourages Esme to cultivate her gifts. Might art - and a favorite teacher - become the answer to some of her troubles? The Beginner's Book of Dreams is an insightful, sophisticated, sometimes wickedly funny, always sharp-eyed portrayal of a young woman inventing and discovering her own independent spirit.
