In its place stands the most powerful government the world has ever seen: the Kingdom. Led by King Charles and his Centurion Guard, Americans live in fear of being abducted north in a train marked for death. Deacon Larsen boarded a train three years ago to travel west, the only region where medicine is still taught. But after the Kingdom abducted his parents, he returned home to the South. But Deacon hasn't come home to put his parents' affairs in order, as stated in his strictly controlled travel visa. No, he's come back for the only thing he has left: revenge. But waiting for Deacon are truths he never expected and a decision so impossible he may have to die to make it. The life Deacon knew is gone. The ones Deacon loves are dead. The truth Deacon craves is out there. But can he find it? Centurion is an imaginative retelling of Mark's gospel as a dystopic thriller. It's the greatest story ever told, as never before told. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
