Bloomsbury Publishing PLC, United Kingdom, 2006. Paperback. Condition: New. Language: English . Brand New Book. Since the year all British women became infertile, Bobby Sullivan s London veterinary clinic has been packed with primate children and, speaking as an alpha male, he s sick to death of them. Hoping to reincarnate himself, he moves north, but finds there is no escape from the Darwinian imperative - or from the sexual pull of the luscious twins Rose and Blanche. As the legacy of the girls ancestor, Victorian freak Tobias Phelps, begins to connect with a century of history, religion, and evolutionary theory, new hope looms for the nation s future.
