I truly wonder today if there was much difference in the treatment of many of these poor people by the enemies of our Homeland, Nazi Germany and the Soviet Union. Germany's invasion of Poland in 1939 led to genocide and massive devastation across Europe. For the Polish people rebuilding their country after WWI, dreams of a better future for their children evaporated as the most powerful military machine ever assembled rolled across their Western border and the struggle for national survival began. Within weeks that struggle seemed forlorn as the Soviet army crossed Poland's Eastern border bringing death to many while loading others into train wagons destined for the infamous gulags scattered across the Soviet Union to the far reaches of Siberia. This book tells the individual stories of four members of one Polish family that were determined to survive Russian brutality and to fight German might, on land, sea and in the air, in order to help liberate their country. Polish intelligence agents had discovered a matchbox filled with typhus-infected lice - this clearly showed that Soviet agents had planned to spread infection through the tents in order to decimate the Polish soldiers waiting to leave Russia. Their experiences and valiant escapades of their Polish comrades during WWII are central to the unique stories of each of The Grodynski Family, but the profound disappointment and sense of betrayal in learning of the decision of Churchill and Roosevelt to allow Stalin to take control of Poland following victory by The Allies could not be expressed in words. Like many Poles who fought heroically along side British soldiers, sailors and airmen, this patriotic family also...
