## FRAYED ROPE (PAPERBACK)

Harlow Stone, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Complete Trilogy Available Now You are completely thrown, slammed and brutalized by Harlow - Ramblings From Beneath The Sheets A changed name, a different country, a new life. Carte blanche, right? Perhaps, and I might have enjoyed it under different circumstances. But the bottom line is- he won t stop until I m dead. I ve done my best to stay in the shadows. Laying low and only speaking when I absolutely need to. It worked well for me until Ryder walked into my life. Or more accurately, jogged. The dark and broody owner of Callaghan Securities invaded my reclusive bubble when I least expected it. Knowing that my time spent avoiding people could be coming to an end, I have an important decision to make. Am I able to open up about my past? Let him in, let him help? Or will I embrace the cold hearted bitch I have become and leave him behind like everything else in my shit life. I was once a nice woman named Jayne O Connor. I m not sure I know who that is anymore. Harlow Stone is a bit of an emotional terrorist with her writing. She lures you in, lays the foundation of where you just know things will go and then BANG! Never saw it coming! Amazon Review Reading Order: The Ugly Roses#1- Frayed Rope The Ugly Roses#2- Concealed Affliction The Ugly Roses#3- Blinded By Fate Recommended +18 Due to mature content, foul language, nudity, sex, and all other things steamy. If you have triggers in regards to being attacked, this book is not for you. 75,000 word novel told from Jayne s POV.
