During the expedition to Egypt, Napoleon Bonaparte took a group of numerous well-known scientists from France. He promised them unprecedented wealth and all privileges for in order to explain a simple question: what method was used to construct of Great Egyptian Pyramids that were called wonder of the world. Gaius Julius Caesar didnt lag behind to Napoleon in the aspirations. However Alexander the Great was inimitable in his promises. He promised half of his empire to the person who could prove technological sequence of creation the pyramids of Ancient Egypt. Despite great efforts, they could receive neither the convincing answer to this question nor the version. Great people dont make promises in vain. They are far from impulsive aspiration. And when aspiration of all well-known people coincide, it is not only the proof but it is already an axiom. The axiom is that the technology of building Great Egyptian Pyramids is more valuable than any other art masterpieces of our civilization. In favor of this assessment says the following fact: the president of the most influential country in the world - Barack Obama his first official visit carried out in the Arab Republic of Egypt half of the visiting time he spent on the Giza Plateau. So interest about the giants of Ancient Egypt is as actual among prominent persons nowadays, as it was centuries ago. I am pleased to inform you that finally it was possible to solve the oldest and the most impregnable mystery of our civilization. I assure you that this is not mere words. The mystery of the construction of the Great Egyptian Pyramids is deciphered once and for ever! This book is written...
