YEAGER (PAPERBACK)

DOWNLOAD

Bantam Doubleday Dell Publishing Group Inc, United States, 1990. Paperback. Condition: New. Reissue. Language: English . Brand New Book. General Chuck Yeager, the greatest test pilot of them all -- the first man to fly faster than the speed of sound . . .the World War II flying ace who shot down a Messerschmitt jet with a prop-driven P-51 Mustang . . .the hero who defined a certain quality that all hotshot fly-boys of the postwar era aimed to achieve: the right stuff.Now Chuck Yeager tells his whole incredible life story with the same wide-open, full throttle approach that has marked his astonishing career. What it was really like enaging in do-or-die dogfights over Nazi Europe. How after being shot over occupied France, Yeager somehow managed to escape. The amazing behind-the-scenes story of smashing the sound barrier despite cracked ribs from a riding accident days before.The entire story is here, in Yeager s own words, and in wonderful insights from his wife and those friends and colleagues who have known him best. It is the personal and public story of a man who settled for nothing less than excellence, a one-of-a-kind portrait of a true American hero.
