Trafford Publishing, Canada, 2003. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Critically acclaimed by writers and gurus alike, this kaleidoscope book of stories deeply probes cross-cultural conflict in Canadian society. In one story, a Dene settlement springs to life around one mesmerizing character with nothing more than voice and desire, and magic happens. In another, points of view clash on infidels, a good marriage, lust, love, office politics and elitist power. Would-be Canadians play a psychological endgame in the sinister and shadowy world of illegal immigrants and false papers. A dysfunctional family story set in another First Nations settlement shows how love triumphs as a bright kid struggles against drugs and evil. One of the stories about hate and love pits Afro-Canadians against each other. In another, a house is sold, and the neighbours speculate about the new owner: I picture a family with eleven kids. Hells Angels. A Mormon with three wives. Abe turns cross-cultural conflict on its head by testing the stamina of a central Asian man in a Canadian construction site in winter. Two white ex-Winnepeggers in exotic Bombay figure in a richly layered story of old love, rejection and survival, benevolence and antagonism. Inca s Return presents images of the interdependence of the human and the natural. Swearing at the Queen rounds off the collection with a delightful romp through political correctness and prejudice in a courtroom. Of interest to reader of romance, mystery-crime-suspense and general fiction and to all readers who love a good yarn, plus students and professionals such as educators, political officials, public servants and researchers in Canadian Studies, International Development, Psychology, Religion, Sociology, Cultural/Social Anthropology, Canadian Literature, Geopolitics, Government Policy and programs--any field in which cultural matters are key. This book...
