

Ignore the Man in the Chair Typing (Paperback)

By MR Wendell G Sweet

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I lost my cell phone and had to get a new one. This was bad because, one: I hate cell phones. Two: I hate cell phones. And Three: I secretly had hoped that the Mayans were right and by today I would be holding onto a rope waiting for the atmosphere to come back, so why would I even have to have a cell phone? I wouldn't, except the Mayans were wrong. I'm still not over that. In my defense, I was born in 1957. In 1957 there were no cell phones. Hell my first memory of a phone was a party line. That's where you got to listen into other people's conversations as long as you could breathe quietly and not giggle. You could not put your phone in your pocket and if you tried to you would most likely get some strange looks. But, all that did not bring my cell phone back so I went and got another. My son came to visit for the weekend so he was here to witness my triumph over...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
