Reviews

This ebook might be worth a read, and superior to other. It is probably the most remarkable book i have got read. Its been designed in an remarkably straightforward way and it is merely soon after i finished reading this publication where really modified me, alter the way i really believe.

Hot Key Books. Paperback. Book Condition: new. BRAND NEW, Leopold Blue, Rosie Rowell, A tense and moving South African coming-of-age story about family, friendship and first romance Meg Bergman is fifteen and fed up. She lives in a tiny town in rural 1990s South Africa - a hot-bed of traditionalism, racial tension and (in Meg's eyes) ordinariness. Meg has no friends either, due largely to what the community sees as her mother's interfering attempts to educate farm workers about AIDS. But one day Xanthe arrives - cool, urban, feisty Xanthe, who for some unknown reason seems to want to hang out with Meg. Xanthe arrives into Meg's life like a hurricane, offering her a look at a teenage life she never knew existed. But cracks quickly begin to show in their friendship when Meg's childhood friend Simon returns from his gap year travels. LEOPOLD BLUE is an emotionally taut and beautifully written story from a debut author with a mesmerising voice.
