Essence Publishing, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The postmodern world believes that the moral virtues that hold society together are relative to individuals assumed standards. Poststructuralism adds more insults to the already injured world by promoting the idea that moral virtues and words are mere images and as such are unreal. But how we live our lives does not die with us as unreal images; it survives us as our legacy. In this book the author celebrates the legacy of his late father, who he believes was the first Bible he read growing up under his nurturing care. These twelve life lessons are surefire nuggets that will transform your life and the way you currently live it! Dr. Godwin Ifeanyi Chukwu Ude is the first-born son of the late Mr. Ude Okoronkwo. A pharmacist, a registered Christian counsellor/psychotherapist and an ordained minister, he holds two doctorate degrees in practical theology and biblical studies. He is married to Blessing Ude, a pharmaceutical quality assurance specialist and family life educator. They are blessed with two sons (Paul and David) and a daughter (Sarah) and currently live and work in Surrey, British Columbia, Canada.
