Createspace Independent Publishing Platform, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It happens much too often, someone goes on a killing spree and murders our friends or loved ones without cause or provocation, we weep and ask why? Death is a subject no one likes to discuss at length whether young or old. Yet death and taxes are a certainty. I thought it best to write about this subject and alert our young people as well as older folk to this possibility and how to cope with it. Marie was not sure what was happening when she tearfully finished the eulogy for her best friend Betty. Was she seeing a ghost? This wasn't a dream. Could she have crossed over to the other side for one final visit? Wait a minute, this is all so strange. It is not over yet. Someone else has something to say. Teenagers Eulogy takes you through the death of friends and finds happiness in closure.
