Workman Publishing Company. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 6.0in. x 3.9in. x 0.9in. The phenomenon returns! Originally published in 1987, *The Book of Questions*, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine: How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent: Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex: Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all: If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? *The Book of Questions* may be the only publication that challenges and even changes the way you view the world, without offering a single opinion of its own. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
